

## PROGRAM PRICING

Effective August 2026

Please visit our website at [www.childhelp.org/prevention](http://www.childhelp.org/prevention) to request a quote for purchasing Childhelp Prevention Education Programs or for more information on partnership options.

Childhelp offers annual program licenses/subscriptions for **Speak Up Be Safe (SUBS)** for educating youth and/or **Connect to Protect Kids (CTPK)** for educating adults. The pricing information below applies to an individual organization or school. For school districts or organizations with multiple sites or larger initiatives that will be implementing the program(s), we offer partnership options with multi-site licensing and discounted pricing.

| Programs/Products                                                                         | Annual Subscription/<br>Licensing Fee | Included<br>Facilitators     |
|-------------------------------------------------------------------------------------------|---------------------------------------|------------------------------|
| <b>Speak Up Be Safe (SUBS)   Youth Education Programs</b>                                 |                                       |                              |
| Elementary School                                                                         | \$1300                                | 2 SUBS Facilitators          |
| Middle School                                                                             | \$650                                 | 2 SUBS Facilitators          |
| High School                                                                               | \$650                                 | 2 SUBS Facilitators          |
| SUBS Bundle (Includes all grade levels)                                                   | \$2600                                | 6 SUBS Facilitators          |
| <b>Connect to Protect Kids (CTPK)   Adult Education Program</b>                           |                                       |                              |
| CTPK Program                                                                              | \$3000                                | 2 CTPK Facilitators          |
| <b>Community Prevention Package   Youth &amp; Adult Education Programs (15% discount)</b> |                                       |                              |
| SUBS Bundle + CTPK                                                                        | \$4760                                | 6 SUBS + 2 CTPK Facilitators |

Each program purchased includes a license granting authorization to implement the program within the organization's service area, a digital subscription to access program materials, and facilitator training and support for the specified number of facilitators shown in the table above. Additional facilitators may be added to any program purchase to increase capacity for implementation.

| Additional Facilitators                  | Annual Subscription/<br>Licensing Fee |
|------------------------------------------|---------------------------------------|
| Additional SUBS Facilitator              | \$125/each                            |
| Additional CTPK Facilitator              | \$125/each                            |
| Dual Program Facilitator (SUBS and CTPK) | \$212.50/each (15% discount)          |

**Note:**

Program licenses and facilitators are program specific, are not transferrable between programs or individuals, and must be renewed annually. A 15% discount is provided for all annual program and facilitator renewals.
