### WHY CHOOSE CHLDHELP SPEAK UP BE SAFE?

CHILDHELP SPEAK UP BE SAFE is the only evidence-based primary prevention education curriculum of its kind for ALL grades, Pre-K through 12. It helps children and teens learn skills to prevent and interrupt all types of child abuse including physical, emotional, sexual, and neglect, as well as bullying, cyberbullying, and online dangers. The lessons help children and youth recognize unsafe situations and abusive behaviors, build resistance skills, and create a responsive safety network with peers and safe adults.

### JOIN OUR FACILITATOR COMMUNITY AND HELP INFORM PROGRAM UPDATES!

CHILDHELP SPEAK UP BE SAFE will be updated throughout the upcoming year. Purchase now and join our community of facilitators to help inform program updates!

*Digital pricing listed applies to orders including up to 100 facilitators. If you have multiple sites or require more than 100 facilitators, please contact us for custom pricing.*
