

SPEAK UP BE SAFE PREVENTION EDUCATION PROGRAM PRICING

WHY CHOOSE CHILDHHELP SPEAK UP BE SAFE?

CHILDHHELP SPEAK UP BE SAFE is the only evidence-based primary prevention education curriculum of its kind for ALL grades, Pre-K through 12. It helps children and teens learn skills to prevent and interrupt all types of child abuse including physical, emotional, sexual, and neglect, as well as bullying, cyberbullying, and online dangers. The lessons help children and youth recognize unsafe situations and abusive behaviors, build resistance skills, and create a responsive safety network with peers and safe adults.
