HAUTE LIVING

CHILDHELP

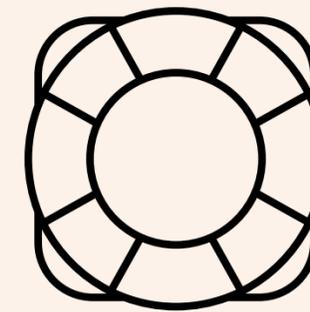

Is a national non-profit organization dedicated to eradicating child abuse and neglect. Founded in 1959 by Sara O'Meara and Yvonne Fedderson, Childhelp has saved and transformed the lives of more than 13 million children through its prevention, intervention and treatment programs.

**A REPORT OF CHILD ABUSE IS MADE EVERY
15 SECONDS IN THE UNITED STATES**

More than 7 million referrals are made to child protective services each year. The United States has one of the worst records among industrialized nations.

On average, the U.S. loses six children to child abuse every day.

Approximately 30% of child abuse victims are younger than two years old.
