

## PROGRAM COMPARISON CHECKLIST

If you are looking for high-quality, aligned, engaging prevention education programs for the children and adults in your community, use this checklist to help you compare programs.

| PROGRAM FEATURES                                                                                                                                                             | CHILDHHELP PROGRAMS                 | OTHER PROGRAMS           |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------|--------------------------|
| Comprehensive, aligned programs for adults and children covering sexual abuse, exploitation, and trafficking, as well as other types of interpersonal, peer, and online harm | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| A trusted and validated youth education program that is evidence-based for ALL grades Pre-K through 12                                                                       | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| An evidence-informed adult prevention program based on the latest research and best practices                                                                                | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| Innovative, combined focus on risk-reduction, perpetration prevention, and bystander intervention                                                                            | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| Adaptable curriculum materials to be inclusive of diverse cultural, racial, community, and regional needs                                                                    | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| Evidence-informed supplemental modules for youth on Human Trafficking, Online Safety, and Youth Athlete Safety                                                               | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| Guided by a National Prevention Advisory Board consisting of renowned practitioners and researchers and informed by survivors                                                | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| A unique partnership with the Childhelp National Child Abuse Hotline to provide support following implementation of programs                                                 | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| A dedicated team of prevention and education experts with more than 80 years of combined experience to ensure top quality and support                                        | <input checked="" type="checkbox"/> | <input type="checkbox"/> |

“Our school was looking for a new prevention program, and after much research, Speak Up Be Safe was the clear choice! I highly recommend Childhelp’s programs.”
