

PROGRAM INFORMATION

FEATURES & BENEFITS

- Comprehensive, **aligned** programs that educate and empower youth and adults to help prevent child sexual abuse, exploitation, trafficking, and interpersonal, peer, and online harm.
- **Innovative** programs combine risk reduction, perpetration prevention, and bystander intervention.
- Address risk and protective factors, healthy relationships and social norms, boundaries and consent, safe environments, and other key concepts critical for effective prevention.
- Evidence-based, follow best practices in prevention and implementation science, and meet many education standards, state mandates, and policy requirements for prevention education.
- Informed by renowned experts, practitioners, researchers, educators, survivor advocates, and youth.
- Inclusive, accessible, and **adaptable** to educate diverse audiences and communities.

EDUCATE • EMPOWER • PROTECT

Childhelp **CONNECT** TO PROTECT KIDS™

- Educates and empowers all adults in a community to protect children from sexual abuse, exploitation, and trafficking, as well as other types of interpersonal, peer, and online harm.
- Teaches adults that prevention is possible with the 3 Keys to Protecting Children: Commitment, Action, and Connection.
- Compelling training with videos, discussions, and engaging activities builds skills and teaches that individual actions are important, but collective action transforms communities.
- Includes survivor stories to help inform adults about systems, practices, and policies that have been helpful or that have fallen short, and where opportunities for earlier intervention exist.
- Designed to build connected, protective communities by teaching that individual actions are powerful, but collective action transforms communities.

Childhelp **SPEAK UP** BE SAFE™

- Evidence-based program educates and empowers children and youth in grades Pre-K through 12 to prevent and respond to abuse, exploitation, trafficking, bullying, and online harm.
- Teaches youth in Pre-k through 8th grade 5 Key Safety Rules — Abuse is NEVER my fault, It's MY body, I have CHOICES, I can ASK an adult if I'm safe, and I can TELL someone.
- Teens in grades 9 through 12 learn 5 Key Safety Principles — Abuse is never my fault, I decide what to do with my body, I have choices, It's okay to ask for help, I can tell someone in authority.
- Consists of a flexible and adaptable evidence-based core curriculum with skill-building activities for children/teens. Meets many state prevention mandates and education/health standards.
- Includes evidence-informed supplemental modules for deeper learning opportunities:
 - Human Trafficking Prevention
 - Staying Safe from Online Harm
 - Speak Up Be Safe for Athletes
